WORK HISTORY

Triangle Services, Inc – *Valley Stream, NY* **09/2019 to Present** **Developer**

DVSS, Inc - *Security Systems – Valley Stream, NY* **08/2017 to 09/2019** **Developer**

I was working on the creation of a website and portal that would help organize and plan the work of technicians, keep records of completed projects and services. I've created a VPN connection to a remote company server in order to automatically transfer financial documents from Quickbooks Online by using their API to JD Edwards (Oracle). I also was working on a portal for customers and implemented a payment system by using the Stripe API. After two years I've been promoted to work for the company that owns DVSS, Inc.

MantisMarketing – *New York, NY* **04/2017 to 08/2017** **Web Developer**

I was responsible for designing, coding and modifying websites, from layout to function and according to a client's specifications.
